Sir:

We, Silvano Gai and Dincsh G. Dutt, declare as follows:

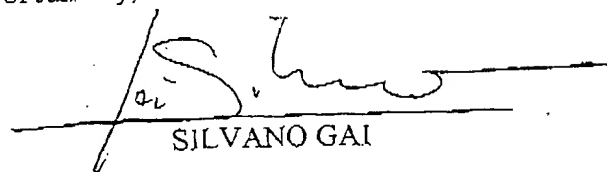

1. We understand that the assignee of the above-identified patent application, Cisco Technology, Inc., is requesting the U.S. Patent & Trademark Office to add us as named inventors in the application to correct an inventorship error in the application. We each state that the inventorship error occurred without deceptive intention on our part.

2. Upon information and belief, we declare that all statements made herein of our own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of title 18 of

Patent

United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Signed at San Jose, California, this 14 day of January, 2004.
